

European Training Centre "Eureka" Ltd.

„You can't teach a man anything. You can only help him to find it in himself”
Galileo Galilee

WHO WE ARE

European Training Centre "Eureka" is a dynamic training and consultancy company established in 2000. Eureka's mission is to inspire its clients to achieving greatness, we do this by stimulating them to taking actions and unfolding the vision of what is possible, by constant reminding that without taking the risk there is no failure nor success.

Eureka has extensive experience in international cooperation and European projects. We have been working with partners from many EU countries such as Portugal, Germany, Spain, Italy, France, UK, Finland and Romania.

COLLABORATION INTERESTS

Eureka is interested in participating in EU projects under Lifelong Learning Programme. We are also open to other forms of international co-operation and projects in the field of education.

WHAT MAKES US A GOOD PARTNER

- Team of highly qualified, open-minded and dedicated specialists.
- Over 7 years of experience in providing our clients with top-class services and solutions.
- Well established cooperation network in Poland and all over Europe.

RESEARCH AREAS

- education
- evaluation and assessment
- e-learning and IT technologies
- innovative solutions

MAIN ACHIEVEMENTS

Since 2004 we have been successfully developing Grundtvig In-Service Courses that found wide

recognition among participants due to their high quality and educational standards. Eureka's President Mrs Iwona Pręciuk was invited by the National Agency to act as Grundtvig Promoter in Lublin Province. We are the only organization in Poland so effective in that matter.

REFERENCE PROJECTS

In 2003/2004 Eureka run two editions of training within PHARE Human Resources Development Programme for SMEs, Modern Techniques in Customer Services Fulfilling EU Standards theory and practice. Since 2004 Eureka has been also developing a new range of training and courses within European Educational Programmes Grundtvig, dedicated to adult education sector.

Currently Eureka is also involved (as a partner) in several projects financed by Leonardo da Vinci Programme:

- SME.net.pl - Increasing usage of the Internet among SMEs in Eastern and North Eastern Poland through innovate blended learning,
- CLEM Clustered Learning Environment Model,
- TEVAL 2 Innovative Evaluation Model in Teaching and Training Organizations.
